

Statement of Support Intent

Dear Friend:

We strive to be good stewards of everything with which God has blessed our ministry. We step out on faith, but we also try to plan wisely and avoid having to bring a missionary home early because of support needs. Our policy is not to release missionaries to go to their field of service until commitments for their support reach 100%.

For this reason, we have provided this instrument to make it easy for you to communicate your intentions with us regarding missionary support. Thank you for your prayers and financial partnership.

Your Kingdom partners,
